ABOUT ME

portfolioakshay.in

Pursuing MCA, I engineer high-performance Python backends (FastAPI/Flask), native Android applications (Kotlin/Jetpack Compose), and agentic AI swarms (LiveKit WebRTC, ChromaDB vector memory), turning complex client requirements into optimized, production-ready software.

SKILLS

Programming Languages: Python, Kotlin, JavaScript (ES6+), HTML5, CSS3, SQL
Frameworks & Mobile: FastAPI, Flask, Jetpack Compose, Android SDK, React, Node.js, Tailwind CSS
Databases & AI: PostgreSQL, SQLite, ChromaDB, LiveKit WebRTC, OpenRouter APIs, SQLAlchemy
Tools & Cloud: Git, GitHub, Docker, Android Studio, Vercel, Render, Supabase, Google Drive APIs

PROJECTS

JARVIS 14-Agent Voice Assistant | Tech: Python, LiveKit WebRTC, ChromaDB, FastAPI | github.com/ra901625072-boop/Jarvis-Voice-Assistant
Autonomous 14-agent swarm with LiveKit WebRTC real-time voice streaming, two-speed learning loop, and ChromaDB vector memory.

FamDoc (Family Document Ecosystem) | Tech: Kotlin, Jetpack Compose, FastAPI, Google Drive API | famdoc-ten.vercel.app
Resilient document platform with native Jetpack Compose Android app (biometrics/cache), Google Drive pooling, and failover vault.

WISAXIS AI Resume Maker & ATS Optimizer | Tech: Python, Flask, OpenRouter AI, ATS Scorecard | resume-maker-zhcq.onrender.com
AI SaaS platform with OpenRouter LLM CAR bullet writer, live ATS scorecard (0-100), AI coach chat, and JSON version snapshotting.

Pali CBDC Portal | Tech: Python, FastAPI, PostgreSQL, Analytics | pali-omega.vercel.app
Beneficiary tracking portal for CBDC rollout with PostgreSQL auto-seeding, date-filtered report exports, and Talati audit logging.

e-Grossary Mart | Tech: Python, FastAPI, SQLAlchemy, Chart.js | glossary-mart.onrender.com
E-commerce & inventory platform with database concurrency locks (SELECT FOR UPDATE) and real-time revenue analytics dashboard.

EXPERIENCE

Internship — Wixaxis Pvt. Ltd., Mehsana (3 Months)
• Engineered full-stack web and backend modules using Python and Javascript, and received formal internship graduation certification.

Freelance Development
• Delivered 2 production client applications — Pali CBDC Portal and e-Grossary Mart — with database locking and audit trails.

Systems Architecture & Mobile Development
• Engineered FamDoc native Android app, JARVIS 14-agent voice assistant, and WISAXIS AI SaaS Resume platform.
